

## TESTIMONIALS

Read what growing numbers of our satisfied customers have to say:

"I've been extremely pleased with Shamrock Landscaping. From cutting, trimming, edging, and clean up, all tasks are flawless! No more dried up clumps of grass on my aluminum siding, sidewalk, or driveway with Shamrock. Once the grass is cut, my yard is neat, perfectly manicured, and spotless."

Sean Johnson, Wayne, MI

"Shamrock Landscaping has several clients on my street alone. A total of six if I'm correct, with each yard kept up to perfection. They go the extra mile to please their customers, even trying to get rid of some nasty moles I encountered last summer, at no charge to me whatsoever."

"Shamrock Landscaping is dependable, reliable, friendly, and extremely professional. My grass has never looked better thanks to this service, and at very reasonable rates."

Adam Hamilton, Wayne, MI
