

Set sail for smarter searches, easier booking and more commissions with Amadeus Total Cruise. Our free all-in-one cruise booking solution lets you quickly shop and compare multiple cruise offers in one screen. You can manage your business better with customized reporting and administration tools. And the solution is fully web-based, so book cruises anytime, anywhere, from any mobile device.

# Amadeus Total Cruise

## Search smarter, shop and compare

Smarter search feature results let you compare all sailing options from multiple cruise lines in a single view – including those from select off-line cruise lines. In addition, the ability to view “starting from” pricing makes it simple to search within a customer’s budget. These are great timesavers, allowing you to quickly find and book the perfect cruise vacation for your customers.

You can feel confident with real-time pricing, and easy-to-read interactive deck plans featuring flashing alerts that let you quickly identify available cabins. Plus there’s even a handy “cheat sheet” that does the math for you, helping you sell upgrades to customers and earn more commissions.

## Book cruises anytime, anywhere

Whether your agency is large, or a small single-person operation, you can gain free instant access to Amadeus Total Cruise through Amadeus Selling Platform Connect. And because Amadeus Selling Platform Connect is a fully cloud-based platform, you are no longer confined to your office. You can be at home, on the beach, or traveling, and enjoy the flexibility of booking cruises, plus hotels, cars and tours anywhere.

Save time finding the perfect vacation package with our comprehensive Search and Sell option, and you can complete bookings in minutes with our streamlined Fast Sell feature. Thanks to past-passenger lookup, you can easily locate customer loyalty numbers to access special deals for returning passengers. Another bonus, Amadeus Total Cruise will soon offer a new B2C component, allowing customers to book cruises right on your website.

## Get TOTAL cruise management

Amadeus Total Cruise helps you manage your travel business by optimizing your processes and reporting. Track individual agent sales, run customized reports, and view booking activity by cruise line with new reporting tools. And new administration tools let you customize permissions to fit your needs. You can even organize search results based around your preferred cruise lines.

## Amadeus Total Cruise benefits:

**It's always available:** use this online booking tool anytime. No certificate downloads required.

**Fully web-based:** with internet access, shop and book cruises on computers, tablets or mobile devices, and instantly see product enhancements when available.

**Comparison shop in one screen:** search and compare multiple cruise line offerings in a single view.

**Upsell and grow commissions:** a "cheat sheet" does the math for agents, making it easy to sell upgrades to customers.

**Quickly find available cabins:** easy-to-read interactive deck plans feature flashing alerts that instantly show available cabins.

**Monitor agency productivity:** new reporting tools allow agency managers to view cruise booking activity by provider or agent in a consolidated view.

**Better business management:** customize user permissions, and organize search results based on preferred cruise lines.

**More content:** access off-line content and "starting from" pricing for select suppliers.

**Group booking ability:** access and book into the group space for opportunities to earn more commissions.

**Real-time pricing:** live pricing is provided directly from providers in real time at category selection.

**Coming soon! Integrated B2C component:** value-added B2C component will allow customers the ability to book cruises right on an agency website.
